Labor Day Weekend at KYC

It was another beautiful weekend at the KYC. Friday night was nice albeit a little chilly. A serious game of touch football was played on the lawn. On Sunday, it was warm enough for sailing and swimming and lots of families gathered together for picnics, bocce ball games, and, of course, baseball. The annual meeting took place on Sunday afternoon and was well attended.

Annual Meeting News

Steve Andersen was selected to be the new commodore at the Annual Meeting on Sunday. Four new board members were also elected. They are: Cheryl Tierson, David Tierson, Dave Stenger and Roxanne Drost. Congratulations to all and thank you to outgoing board members for their time and service.

Lusitania – Final Race Sat.

The final race in the Lusitania Cup series will take place on Saturday, September 8th at noon. All boats are welcome to compete. A potluck will take place after the race(s). Come join in the fun!

Kid's Korner

How to Simulate a Trip to Sea on Land

1. Sleep on the shelf in your closet.
2. Four hours after you go to sleep, have your mate whip open the curtain, shine a flashlight in your eyes, and mumble, "Your watch!"
3. Put a wall across the middle of you bathtub and move the shower head down to chest level.
4. Put lube oil in your humidifier instead of water and set it to high.
5. If your basement floods during a sudden thaw, go down and start bailing.
6. Bring inside some type of gas motor (lawn mower, garden tiller, etc.), start, and leave running while trying to listen to your favorite CD.
7. Wake up at midnight and have a peanut butter and jelly sandwich on stale bread. Cold canned ravioli or soup is optional.
8. Once a month, pick a major appliance, take it completely apart, and put it back together.
9. Use 18 scoops of coffee per pot, and allow it to sit for 5 to 6 hours before drinking.
10. Put a fluorescent light under the coffee table, and lay there to read a book.
11. Run into the kitchen and sweep all the pots, pans and dishes off of the counter onto the floor, then yell at the mate for not having the place "stowed for sea".

Race Results

Wanted: Clean Heads

Brien Gardner writes that he would like to contact other members who have heads and want to keep them smelling sweet. He proposes buying a portable waste pump to clean out the boats holding tanks. Since the pump costs about \$500 and is only used a few times a season, Brien would like to find members who are interested in investing in one together and sharing the convenience of not having to sail up to Penn Yan or Keuka Lake State Park to use their dumping facilities.

The pump Brien is considering is called a "Waste Caddy" and can be viewed at Westmarine.com.

If you are interested in this, contact Brien at (585) 490-0167 or email him at Briengardner@yahoo.com.

Upcoming Events

- Sept. 8** Lusitania Cup–Race # 3 At Noon.
Potluck to Follow
- Sept. 15:** FLACE E Scow Regatta
- Sept. 14-16** Curtiss Seaplane Homecoming

Mahatma Gandhi, as you know, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little, which made him rather frail and, with his odd diet, he suffered from bad breath. This made him a super calloused fragile mystic hexed by halitosis.
