## **George Welch, Jr. wins New York State Championship & Eastern's**

*Submitted by Bob Cole, Keuka E Fleet Captain and  
Eastern's Regatta Chairman*

Keuka's own, George Welch, Jr., in company of BJ Lanahan and Chris Hawk, cruised to victory in the New York State Championship and the ECESA annual Championship regattas, both recently held at Keuka Yacht Club.

Our Chautauqua friends attended the New York State Championship along with the Nolden boat from Lavallette.

Twenty six boats from New York and New Jersey competed in The Eastern's, held over three days. Winds after the first race Thursday morning turned light. Nonetheless, three races were held Thursday. Friday however was a day at the beach with no races accomplished despite many attempts. The fourth and final race was held Saturday morning in an ebbing thermal. George and crew earned top finishes in all four races and won convincingly.

Special thanks also to the many members and friends of Keuka Yacht Club who participated to accomplish the regatta

organization including meals, race committee, decoration, and in general keeping the place in good condition for this extraordinary use. Helpers in the regatta effort traveled to Keuka from New Jersey, Pennsylvania, North Carolina, Indiana and Ohio to participate in putting on this affair. Special thanks also to members who allowed their boats to be moved about the grounds and endured some inconvenience to make room for our visitors.

Many compliments were extended to the club and committee for a fine effort and good comfort to all during the three days. Good Show Keuka Yacht Club!!

Session 3 Racing Camp Participants

## Junior Sailing Racing Camp

*Submitted by Peter Gamba*

Session three of the Jr. Sailing program was dedicated to racing. The class had good sailing weather and an abundance of races. There were two classes of boats involved, the sunfish and laser. All the students had an ample opportunity to enhance their skills. Some students went from sailing as a team to sailing alone. The competitive spirit at times was a little intense and a great time was had by all. The instructors, Matt and Zack, provided an outstanding program and were very involved with the student, teaching them the basics of racing.

## Report from the House

*Submitted by Cheryl Tierson*

As we find ourselves mid-way through August, I hope everyone has enjoyed the House and grounds facilities at KYC this summer. I would also like to take this opportunity to thank our House staff, Club Steward Mark Musso and our very own KYC Chef Mike Gamba.

Mark will be heading back to school and his last day at KYC will be Saturday August 23rd. So please stop by and wish Mark well on his senior year and thank him for all his efforts this summer. In Mark's absence, Mike Gamba has agreed to fill in for the rest of the season, thank you Mike!

Also, remember to stop by the bar to check and pay tabs. With our new register and tab number system it is very easy to access the amount owed.
