

The **Bilge Pump**

Volume 25 Issue 3

6/16/09

Mike and Ashley have been hard at work at the KYC.

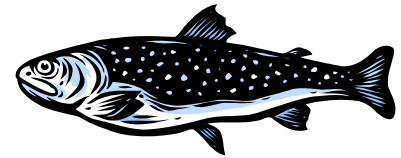

This Weekend at KYC

We rushed up to the lake on Saturday just in time a couple hours of heavy rainfall. We passed the time playing ping-pong in the clubhouse and when the rain let up, the kids all went in for a swim. The Hudsons arrived with a U-Haul to play lacrosse and to deliver a new foos ball table for the club. Thank you to the Hudsons!

The Clubhouse and grounds are looking really nice and well cared for. Someone planted some beautiful flowers! Mike and Ashley are taking good care of the place and the food has been great too.

Happy Hour to begin Friday

The tradition of Friday Happy Hour is back! Beginning this Friday, the 19th, and continuing every Friday evening, there will be a weekly happy hour gathering at the Clubhouse. Bring an appetizer to share and join in the fun around 5:30.

Kid's Corner

Submitted by John Cleary (Age 8)

Since it was raining on Saturday, we stopped at the Fish Hatchery in Bath. It is one mile north of Bath, off Route 54. It was really cool. We saw thousands of fish. Some were tiny, some were medium sized (maybe four inches), and there was a pond of adult fish too. They were held in lots of different ponds. They stock lake trout, brown trout, and rainbow trout there. There were some places where we could buy little fish food pellets and feed the fish. They are open daily from 8 to 3:45 – it is definitely worth a trip sometime.

Report from the Clubhouse

Submitted by Cheryl Tierson

On Saturday June 20th the clubhouse kitchen will be closing at 2pm due to a private event. The bar will remain open regular Saturday hours for member use.

I would like to thank Mike Gamba and Ashley Angalais for all their efforts in keeping the club house and grounds in great shape. However, all of their hard work could not prevent the kitchen freezer from retiring. We have replaced it with a smaller, quieter and more efficient one. I would like to thank Dave Tierson for researching, finding a new replacement and also picking it up and

delivering it to the yacht club. Also thank you to Mike Gamba and Spencer Jenkins for helping Dave move the freezer into its new home in our kitchen.

A few other additions have been added to the house. Thank you to the Hudson's for their donation of a Foosball table. Also thank you to Dave Tierson for refurbishing the ping-pong table over the winter. Hopefully this will help keep our younger members busy this summer.

It was brought to my attention that some members have expressed interest in hosting a children's overnight camp out at KYC. We will need a volunteer(s) to organize such an event, (as our children have both graduated from college, we have "been there, done that"!) Those interested please contact me, Cheryl Tierson at catierson@yahoo.com. I will be happy to help set a time, date and whatever else I can do.

Membership Cards

Membership cards for all members that have paid their dues will be available at the bar on June 13th. Please stop by and pick up your card.

Harbormaster Report

Submitted by Bruce Bozman

Per the previous Bilge Pump post, all boats and trailers currently on KYC grounds will be assessed a Livery fee.

\$6/ ft. of boat length - Summer parking on the Lake lot.

\$3/ ft. of boat length - Empty trailers in the Upper lot.

\$3/ ft. of boat length - Winter storage on Lake lot

Please remember . . . we were able to reduce your membership dues in exchange for instituting parking fees for boats. Please help your Club out and send your payments now to Keuka Yacht Club; P.O. Box 334; Bath, NY 14810

Welcome New Members

Steve and Liz Nalback and their son Nathan are new to the yacht club. If you see them, take the opportunity to say hello.

Butterfly Scow For Sale

Butterfly Scow for \$350. If interested, contact Lisa Saether at (315) 536-2620.

Upcoming Events

June 19: Happy Hour at the Clubhouse
 June 20: Clubhouse kitchen closes at 2
 June 22: First Sailing School Session Starts
 June 27: Lightning Champagne Regatta

Bilge Pump

I welcome pictures from the club, jokes, riddles, and other information that may be helpful or interesting to fellow members. All submissions can be made by emailing me at clearyjw@hotmail.com or by leaving a note at the Bilge Pump box at the bar. —Janet Cleary
