Future Lightning Sailors try out the Sunfish.

## **This Weekend at KYC**

They had great wind on Saturday for the Lightning Champagne Regatta. It was a long day on the water, with four races completed. Twelve boats participated; two boats from KYC. Peter Maier and John Brown's boat had to be towed in after their forestay broke.

Jake's blackboard says that the water temperature is now 68 degrees so there are no excuses for not jumping right in!

Lightnings Come In Saturday after a full day of racing.

## **Kid's Corner**

What do you call a country where everyone drives a red car?

A red carnation.

## **Happy Hours Continue**

It looked like a nice turnout for the first Happy Hour of the year. They will continue every Friday evening at the Clubhouse. Bring an appetizer to share and join in the fun around 5:30.

## **MC Fleet Hosts Shrimp Boil**

On July 4<sup>th</sup>, the MC Fleet will host the 8<sup>th</sup> Annual Shrimp Boil and Steak Cookout. The keg will be tapped at 5:30 and dinner will be served at 7. Contact Steve Anderson at (607) 522-6436 if you are interested in attending.

## **Buzz – Watch out for Bees**

The bees seem to like the clover on the grass. My two boys have both received stings on their feet.

## Reminder – Boats on Lot

By now all boats should be either: 1) in the water, 2) ready for the season, or 3) moved to one of the upper lots. All empty trailers should be parked in the upper (highest) parking lot. The removal of boats and empty trailers will help with mowing, lake access to members, and general clean-up and maintenance. Thank you for your cooperation.
