Volume 25 Issue 5

7/14/09

Robin and Brian get their respective boats ready for a sail earlier this year.

## **The Past Weekends at KYC**

On July 4<sup>th</sup>, seven boats showed up to compete for the Lusitania Cup. It was really windy and two boats opted out before the finish. By all accounts, the shrimp boil was a success.

This Saturday, it started out nice and the wind blew to make the sailors stand up and take notice. Then the skies opened up around three o'clock for the rest of the evening. Sunday dawned beautiful with nice winds for the E scows, MC s and Sunfish.

The swim ladder has been placed in the swimming area. Thank you to Dave Stenger!

## **Kid's Corner**

Submitted by William Cleary age 10

On Sunday it was really WINDY !!!!!!!!!!!!! I went out sailing with my dad on our laser and it was lots of fun. We went so fast and heeled so much we almost flipped over. I hope it's that windy next weekend.

A fish has been caught !!!!!!!!!!!!! (not really )

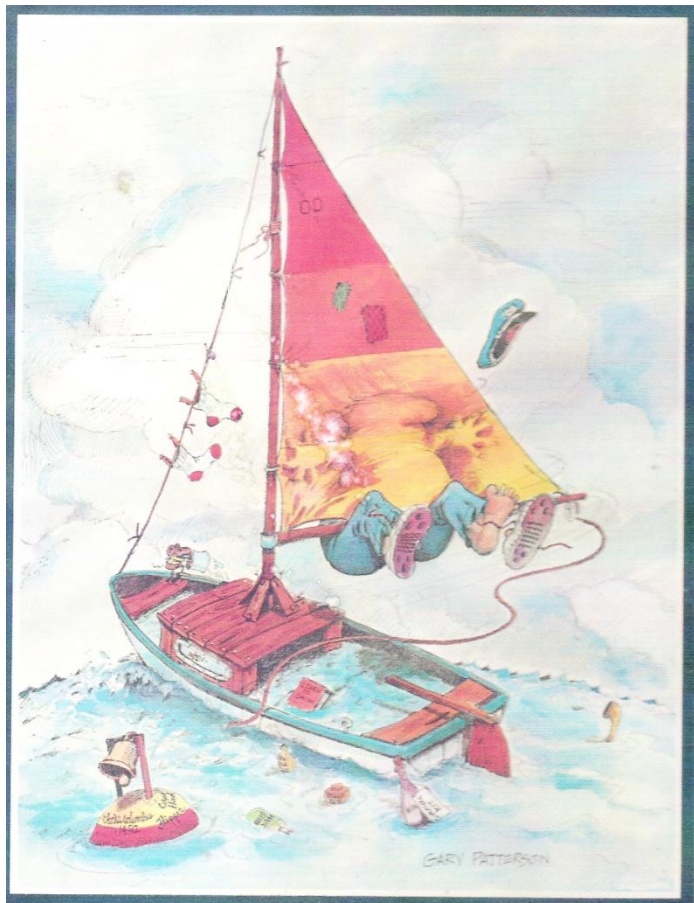

## **Please Drive Carefully**

When you drive on the Clubhouse grounds, please remember that there are small children around and drive slowly.

## **Wanted: Boat to Rent**

Brian Gardener is renting a cottage next door to the Yacht Club and would like to rent a power boat during the week of July 20th. Brian says it would be for a few of those week days so it wouldn't interfere with the owner's weekend use. The boat would be used out of and stay at the Yacht Club. It would have to be big enough to pull kids for tubing. If you can help, call Brian at (585) 490 -0167.

## Caption Contest

Peter Gamba has been running a contest for the best caption for this cartoon with the junior sailors. Now he is giving the rest of us a chance to try our wit as well. Submit your entries to Peter Gamba or leave them at the bar with Mike Gamba. Contest entries will be shared in a future Bilge Pump.

## Upcoming Events

July 25-26: NY E Scow Championships

## Bilge Pump Correction

Unbelievably, the previous Bilge Pump contained an error. I mistakenly attributed a picture to Dave Stenger but the real photographer was Nancy Stenger. My apologies to Nancy!
