

The **Bilge Pump**

Volume 25 Issue 10

10/7/09

Except for a few people putting their boats away, October 4th was quiet at the KYC.

Fall Cleanup Saturday

Volunteers are needed for the Fall Cleanup. The cleanup will take place on Saturday, October 10th starting at 9:00 am. The weather forecast for Saturday looks promising but in the event of a wash-out a rain date of Saturday, October 17th 9:00 am has been established. Food and drinks will be provided for those volunteering. A number of parallel activities will be underway. Please jump in and assist where you feel you can. Be safe and do not over exert yourselves. Work gloves and appropriate clothing is suggested.

From the Harbormaster...

Submitted by Bruce Bozman

A few reminders as we approach the end of the season.....

1. For those of you keeping your boats at KYC this Winter, please note that all boats other than lightweight sailboats must NOT be parked on any

asphalt areas. (We've had problems with heavy boats leaving dents in the asphalt.)

2. Winter storage fees (\$3.00 per foot of boat length) will be levied for all boats stored on KYC grounds **after October 31**.

3. We still have some outstanding payments due for Summer Livery of boats & trailers. If you have not yet paid, please do so NOW! (Your Club needs your support, ya' know?)

4. As many of you know, my term on the Board of Directors has ended (whew!). Over the last 3 years, and with the assistance of the Board, I've implemented some changes to KYC Harbor/Livery policies. I think the changes have been necessary for the health of the Club and fairness to our members, and I hope you feel the same.

5. Bob Meyer is our new Harbormaster. I'll be working with Bob through the end of the year to transfer files, etc. If anyone has any questions or concerns though, I'll be happy to address them. (Well, not sure about "happy", but I'll address them.)

6. Thanks for your cooperation folks, and have a GREAT Winter/ Spring.

A boiled egg in the morning is hard to beat.

Final Bilge Pump of 2009

This issue will be the final Bilge Pump for 2009. Thanks to those of you who have contributed articles and information. Have a great winter!

October 4th – many boats have already left for their winter homes
